

MOLEX connectors for Antonio feed monitor and control board (for attaching 4-wire fan, thermostat, Lake Shore diode, TC74 temp. sensors, and vacuum gauge)

JameCo # Description

234798 Housing Receptacle 2 Position 2.54mm

234801 Housing Receptacle 3 Position 2.54mm

234819 Housing Receptacle 4 Position 2.54mm

463005* Connector Contact Female 1 Position Crimp

The photo represents 3-position version

Connector Contact Female 1 Position Crimp Straight Cable Mount Bag

Jameco Part no. 463005	
Manufacturer	MOLEX INC.
Manufacturer no.	08-65-0816

✓ RoHS compliant

Overview

Specifications

Related Products

Specification	Value
Family	6459
Maximum Contact Resistance	20mOhm
Maximum Current Rating	4A
Maximum Voltage Rating	250VAC
Mounting	Cable Mount
Packaging	Bag
Product Depth	2.1mm
Type	Contact
Product Height	3.12mm

Specification	Value
Product Length	9.7mm
Termination Method	Crimp
Product Type	Connector Headers and PCB Receptacles
Contact Material	Phosphor Bronze
Contact Plating	Gold
Gender	F
Body Orientation	Straight
Number of Contacts	1

* if sourced from another distributor than JameCo please buy similar more expensive contacts with 4A rating and gold plating
